Business Class air travel will never be the same again

A380 Business Class

How you spend your journey in Business Class on the A380 is up to you: lie flat in your massage seat, enjoy the wireless seat and entertainment control, use your mini-bar and visit your exclusive onboard Lounge.

While the A380 offers technological sophistication that leaves a lasting impression, our hospitality remains at the forefront of the Business Class experience.

A380 Flat Beds

A new generation of intelligent seating design means you are in control of your flight experience. Experience new levels of comfort when you travel Business Class on the A380.

Using your touch-screen wireless seat controller to adjust your seat and to select channels on demand, you can tailor the entire experience to suit your own preferences.

Your seat extends to form a flat bed up to 79"

long. The seats include personal storage, massage features and a privacy divider. For your convenience, every seat has access to the aisle.

An in-seat power supply for laptops, dual port USB and extra-large table provide a comfortable workspace, and over 1,200 channels of **ice** entertainment are available on a 17" Digital widescreen TV.

To add to your personal comfort you'll find a built-in mini-bar in every seat.

A380 Onboard Lounge

Designed to make you feel like you're in your very own executive club, the Lounge is exclusive space where you can stretch your legs, relax and socialize, or catch up with business.

A classier experience in Economy Class

A380 Economy Class

New generation seating on the A380 means more comfort for you. Over 1,200 channels of entertainment at your fingertips.

A380 New Generation Seating

Economy Class customers aboard the A380 can expect a high level of comfort while they enjoy the outstanding service. Adjustable headrests, more space and a sliding base allowing deeper seat recline, means more comfort for our Economy Class passengers on A380.

Of course a multilingual cabin crew is on hand to provide everything you need throughout the flight.

A380 Entertainment

A personal Digital widescreen TV with over 1,200 channels of on-demand entertainment means unprecedented choice. The control is yours: watch what you want, when you want.

With more choice than ever before, the new generation Economy Class seats on the A380 feature over 1,200 channels of on-demand ice movies, audio and TV on a 10.6" Digital widescreen.

Every seat has its own laptop power supply and USB connection, allowing you to view videos and pictures from your laptops or portable devices.
